The **Nirudyoga Bruthi Scheme** was originally introduced by the **Telugu Desam Party (TDP)** government in **Andhra Pradesh in 2018**, when **N. Chandrababu Naidu** was the Chief Minister. The scheme aimed to provide a **monthly unemployment allowance ranging from ₹1,000 to ₹2,000** to **unemployed youth aged between 22 and 35 years**.

After the **2024 Andhra Pradesh Assembly elections**, the newly formed **TDP–Janasena government** announced the relaunch of the scheme as **Nirudyoga Bruthi Scheme 2024**. Under the updated scheme, **unemployed youth will receive a monthly financial assistance of ₹3,000**.

Eligible unemployed youth who are **residents of Andhra Pradesh** can apply for the scheme either:

- **Online** through the official Andhra Pradesh government website, or
- **Offline** by visiting the nearest **village or ward secretariat**.

The primary objective of the Nirudyoga Bruthi Scheme is to **provide financial support to unemployed youth in Andhra Pradesh**, helping them meet basic needs while they seek employment.

Andhra Pradesh Nirudyoga Bruthi Scheme

The **Andhra Pradesh Nirudyoga Bruthi Scheme** is a welfare initiative aimed at providing **financial assistance to unemployed youth** in the state. The current government has announced a **monthly allowance of ₹3,000** for eligible beneficiaries, which will be provided **until they secure employment**.

This scheme is an extension of a similar initiative introduced earlier by the **TDP government**, under which unemployed youth were given **₹1,000 per month**. The updated scheme increases the allowance to better support youth in meeting their basic financial needs during their job search period.

Objective

The main objective of the scheme is to **reduce the financial burden on educated unemployed youth** and provide **economic stability** while they actively seek suitable employment opportunities.

Beneficiaries

The scheme targets **unemployed youth who have completed graduation, diploma, or equivalent qualifications**. Initially, the scheme was announced for **unemployed Vedic scholars**, and it is now proposed to be extended to a wider category of educated unemployed individuals.

Allowance Amount

Eligible beneficiaries will receive **₹3,000 per month**, which will be **directly credited to their bank accounts** through the **Direct Benefit Transfer (DBT)** system to ensure transparency and prevent misuse.

Application Process

The application process is expected to begin shortly. Eligible applicants will likely be able to apply through the **Andhra Pradesh Government Employment or Skill Development Portal** (such as *ap.gov.in* or a dedicated scheme website).

The **online application process** may include:

- Registration using **Aadhaar number**, **mobile number**, and **email ID**
- Filling in personal and educational details
- Uploading educational qualification documents
- Declaration of current employment status

Additionally, **offline application facilities** may be available at:

- District Employment Exchange Offices
- Gram Panchayats
- Gram Sachivalayams
- Gram Sabhas

Launch Year: The scheme was announced in **2024** and is expected to be **implemented by the end of December 2025**.
